Expression of Interest (EOI) for Consultancy Services for Preparing Simulation Model for Hydraulics of Musi River from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project

# **Advertisement**

## **NOTICE INVITING TENDER**

**Tender Notice No. 04/SE(MRDCL)/ 2023-24,**

**Dt: 02-02-2024**

**MUSI RIVERFRONT DEVELOPMENT CORPORATION LIMITED (MRDCL)**

**Government of Telangana**

### **EXPRESSION OF INTEREST (EoI)**

**Consultancy services for preparing simulation model for hydraulics of Musi river from Osman sagar dam downstream point to ORR East near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project.**

Government of Telangana through Musi Riverfront Development Corporation Limited (MRDCL) invites 'Expression of Interest' (EoI) from reputed 'Organizations/Firms/ Consortium' with proven track record, to provide Consultancy services for preparing simulation model for Hydraulics of Musi river from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project, in Hyderabad, Telangana State, India.

As per the terms and conditions laid down in the EoI Document.

Renowned firms with proven track record in similar projects can download '**EoI Document**' from the e-procurement web site [www.tender.telangana.gov.in](http://www.tender.telangana.gov.in) . For any further information please contact Superintending Engineer, MRDCL on any working day.

Sd./ Managing Director,  
Musi Riverfront Development Corporation Limited (MRDCL)

Expression of Interest (EOI) for Consultancy Services for Preparing Simulation Model for Hydraulics of Musi River from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project

# Invitation Letter

**Sub: Expression of Interest (EOI) for Consultancy services for preparing simulation model for Hydraulics of Musi River from Osman Sagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project in Hyderabad, Telangana State, India.**

Dear Sir/Madam,

Musi Riverfront Development Corporation Limited, Government of Telangana, invites Expression of Interest (EOI) from eligible and interested firms/ companies / consortium for Consultancy services for preparing simulation model for Hydraulics of Musi river from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project as per the terms and conditions stipulated in this EoI.

You are requested to participate in the EoI Stage and submit your application for the aforesaid project in accordance with this EoI Document. In case the applicants need any further information about the Project are requested to contact the MRDCL Office at the address given address or email mentioned below.

Contact Person / Designation: Superintending Engineer  
Musi Riverfront Development Corporation Limited (MRDCL),  
Address: DCC complex, Block E, 2<sup>nd</sup> floor, Tarnaka, Hyderabad-07  
Phone: +91 4029556036  
Email: musirdc@gmail.com

MRDCL, GoT., shall not be responsible for any costs or expenses or liabilities incurred by the Applicants in connection to the preparation and delivery of the Application. MRDCL, GoT., reserves all the rights to cancel, terminate, change or modify this procurement process and/or requirements of application stated in this EoI, at any time without assigning any reason or providing any notice and without accepting any liability for the same. Please note that, the MRDCL reserves the right to accept or reject all or any of the applications without assigning any reason whatsoever.

Sd./Managing Director,  
Musi Riverfront Development Corporation (MRDCL).

## Disclaimer

- i. The information contained in this Expression of Interest ("EoI") document, containing 31 pages, or subsequently provided to Applicants (Firms), whether verbally or in documentary or any other form by or on behalf of Musi Riverfront Development Corporation Ltd (herein after referred to as MRDCL/ The Authority) or any of its employees, is provided to Applicants on the terms and conditions set out in this EoI and such other terms and conditions subject to which such information is provided.
- ii. This EoI is not an agreement or an offer by the Authority to the prospective Applicants or any other person. The purpose of this EoI is to provide interested parties with information that may be useful to them in the formulation & submission of their applications pursuant to this EoI.
- iii. This EoI includes statements, which reflect various assumptions and assessments arrived at by the Authority in relation to the Musi Riverfront Development Project. Such assumptions, assessments and statements do not purport to contain all the information that each Applicant may require.
- iv. This EoI may not be appropriate for all persons, and it is not possible for the Authority and its employees to consider the objectives, technical expertise and particular needs of each party who reads or uses this EoI. The assumptions, assessments, statements and information contained in this EoI, may not be complete, accurate, adequate or correct. Each Applicant should, therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments and information contained in this EoI and obtain independent advice from appropriate sources. Information provided in this EoI to the Applicants may be on a wide range of matters, some of which may depend upon interpretation of law. The information given is not intended to be an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. The Authority accepts no responsibility for the accuracy or otherwise for any interpretation or opinion on the law expressed herein.
- v. The Authority and its employees/ advisors make no representation or warranty and shall have no liability to any person including any Applicant under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this EoI or otherwise, including the accuracy, adequacy, correctness, reliability or completeness of the EoI and any assessment, assumption, statement or information contained therein or deemed to form part of this EoI or arising in any way in this EoI Process.
- vi. The Authority also accepts no liability of any nature whether resulting from negligence or otherwise however caused arising from reliance of any Applicant upon the statements contained in this EoI.

vii. The Authority may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumption contained in this EoI.

viii. The issue of this EoI does not imply that the Authority is bound to appoint the Selected Applicant, and the Authority reserves the right to reject all or any of the applications without assigning any reasons whatsoever.

## Definitions and Interpretations

### Definitions

1. 'Applicant' means the firm/consortium who passes the pre-eligibility criteria and submits the application in response to this EoI.
2. 'Application' means submission requirements as submitted by the Applicant in response to this EoI including clarifications and/or amendments to EoI, if any;
3. 'Application Evaluation Committee or Technical Committee' shall mean the Committee constituted by the Authority for evaluating the applications in response to this EoI;
4. 'Authority' shall mean Musi Riverfront Development Corporation Limited, Government of Telangana;
5. 'Competent Authority' means the Managing Director of Musi Riverfront Development Corporation Limited, Government of Telangana;
6. 'Consortium / JV' shall mean the two of legally constituted entities, who have come together, have agreed or have formed an understanding (in writing) for the providing Consultancy services for Aggregate Master Planning for the Musi Riverfront Development Project, subject to the terms of this EoI;
7. 'Consortium/JV Agreement' shall mean an agreement to be entered into amongst the Members of the Consortium and forming part of their Application;
8. 'Constituent Member' shall mean any member of the Consortium, whose financials and/or project related experience have been considered in the Capability Statement to meet the Eligibility Criteria
9. 'Deadline' shall mean the last date for submission/receipt of the Applications, as mentioned in this EoI document;
10. 'Eligibility Criteria' shall mean the criteria stipulated in the EoI, which is required to be met by the Applicant submitted in response to this EoI based on their Capability Statement and documents to become eligible for the Stage II of Evaluation i.e. RFP. (Section 3)
11. 'Expression of Interest (EoI)' shall mean the Application documents comprising Sections I to VI along with Appendices I to VI and any other addenda issued thereon;
12. 'Financial Year' shall mean year starting from 1st April to 31<sup>st</sup> March. In case Applicant's financial/accounting years are different from the above, the immediate past financial/accounting years of the Applicants as per their annual reports shall be applicable for the evaluation;

13. 'Firm' shall mean a single legal entity, which is a Corporate Entity and Registered or Statutory Body;
14. 'Lead Member' shall mean in case of a Consortium, the firm nominated to act as Lead Member of the Consortium at this EoI and subsequent RFP stage, which qualifies as per the Eligibility Criteria, and which shall continue to be the leader and be authorised as such for submission of Application. The Lead Member will represent the Consortium on all matters pertaining to this EoI and subsequent RFP and shall have the primary responsibility with regards to the consultancy services for this Project.
15. 'Power of Attorney' shall mean the Power of Attorney in the format provided in this EoI, to be furnished by the Applicant authorizing a person to sign the Application and act for and on behalf of the Applicant during the EoI and subsequent RFP process;
16. 'Project' means, "Consultancy services for preparing simulation model for Hydraulics of Musi river from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project" and subject to the provisions of this EoI and subsequent RFP issued for the same project;
17. 'Request for Proposal or RFP' shall mean the forthcoming RFP any other addenda issued thereon which shall be issued to the shortlisted Applicants in pursuant of this EoI;
18. 'Shortlisted Applicants' means the applicants who pass the eligibility criteria as verified by the 'Application Evaluation Committee' to whom the forthcoming Request for Proposal for 'consultancy services for preparing simulation model for Hydraulics of Musi river from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project' will be issued.
19. 'Taxes and Duties' shall mean all taxes, duties, fees etc. payable as per applicable laws in India in connection with the development, operation and management of the Project;

### **Interpretation**

In the interpretation of this EoI, unless the context otherwise requires:

1. The singular of any defined term includes the plural and vice versa, and any word or expression defined in the singular has the corresponding meaning used in the plural and vice versa;
2. Reference to any gender includes the other gender;
3. Unless otherwise stated, a reference to a Clause, Sub-Clause, Paragraph, Sub-paragraph, Annex, Exhibit, Attachment, Schedule or Recital is a reference to a Clause, Sub-Clause, Paragraph, Sub-paragraph, Annex, Exhibit, Attachment, Schedule or Recital of this EoI;
4. A reference to any agreement is a reference to that agreement and all annexes, attachments, exhibits, schedules, appendices and the like incorporated therein, as the same may be amended, modified, supplemented, waived, varied, added to, substituted, replaced, renewed or extended, from time to time, in accordance with the terms thereof;

5. The terms “include” and “including” shall be deemed to be followed by the words “without limitation”, whether or not so followed;
6. Any reference to a person shall include such person’s successors and permitted assignees;
7. A reference to a “writing” or “written” includes printing, typing, lithography and other means of reproducing words in a visible form;
8. Any date or period set forth in this EoI shall be such date or period as may be extended pursuant to the terms of this EoI;
9. A reference to “Month” shall mean a calendar Month, a reference to “week” shall mean a calendar week and a reference to “day” shall mean a calendar day, unless otherwise specified.
10. The terms "hereof, "herein", "hereto", "hereunder" or similar expressions used in this EoI mean and refer to this EoI and not to any particular Article, Clause or Section of this EoI. The terms "Article", "Clause", “Paragraph” and “Schedule” mean and refer to the Article, Clause, Paragraph and Schedule of this EoI so specified;
12. The descriptive headings of Articles and Sections are inserted solely for convenience of reference and are not intended as complete or accurate descriptions of content thereof and shall not be used to interpret the provisions of this EoI;

## Schedule of EoI

Sl. No	Events	Dare and Time
1	Download the EoI document active on the E procurement platform.	05.02.2024, 10.00 AM
2	Pre-submittal Meeting (optional and online)	09.02.2024, 11.00 AM
3	End date of Downloading	17.02.2024, 01.00 PM
4	Last date & time for receipts of Applications	17.02.2024 03.00 PM
5	Opening of Applications	17.02.2024 04.00 PM

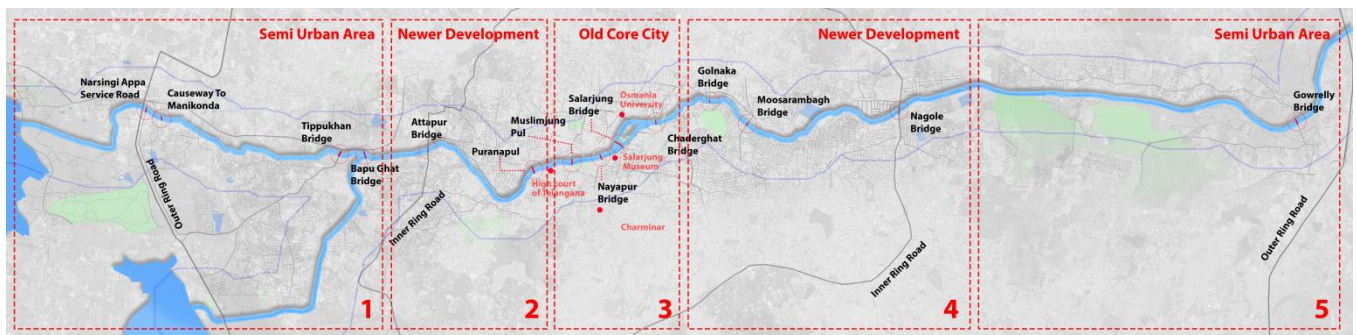

# 1. Section I: Project Information

## 1.1 Introduction

Hyderabad, the capital of Telangana, is one of the fastest growing cities in the Asia Pacific region. Hyderabad's growth is driven by its IT, pharma, biotech, education, manufacturing, and other service sectors. The city is home to around 1,500 IT and ITES companies. Over the last few years, commercial boom has led to infrastructural development and a burgeoning job market. This triggered rapid urbanization, a dynamic skyline and a booming commercial and residential real estate sector. It is estimated that Hyderabad was the second largest real estate hub in India in 2023 with 49% year on year growth in the sale of housing.

The 433-year-old city has grown on the banks of the river Musi. Today, 56 km of Musi flows within the Outer Ring Road which surrounds Hyderabad. Musi flows eastwards, passing through semi urban and dense urban pockets. Old City – the historic heart of Hyderabad and its iconic buildings like Osmania Hospital, High Court, City College and Salarjung Museum are located on the banks of Musi. Musi flows into the Krishna River at Vadapally near Miryalaguda in Nalgonda district.

Except during the monsoon, Musi is now largely fed by sewage water. Water management is done through two reservoirs (Himayat Sagar and Osmansagar) built on the upper reaches of the river before it enters the urbanized areas. Built in the early part of the 20<sup>th</sup> century, these two lakes till recently accounted for a significant portion of the drinking water for Hyderabad. An incomplete sewage management system, encroachments and industrial effluents have reduced the river to a polluted version of its former self in the older parts of the city.

Several efforts have been undertaken in the past to clean the river and beautify its surroundings. However, they were unsuccessful due to shortage of funds and limited vision. The Hon'ble Chief Minister of Telangana Mr. A. Revanth Reddy has an ambitious plan for the river and the crumbling old city which grew around parts of the river.

## **1.2 About Musi Riverfront Development Corporation (MRDCL)**

Government of Telangana vide Go Ms. No. 90, MA&UD (II) Dept., dt: 25.03.2017 has created a special purpose vehicle (SPV) for abatement of pollution of Musi River and facilitate its Riverfront Development to improve hygienic conditions and environs.

### **1.2.1 Functions of MRDCL:**

- The primary objective of MRDCL is to improve the ecological, social, and economic aspects of the Musi riverfront by undertaking various development activities.
- The corporation is involved in the planning, design, construction, operation, and maintenance of various infrastructure projects along the riverfront. These projects include the development of parks, walkways, cycling tracks, and other recreational facilities.

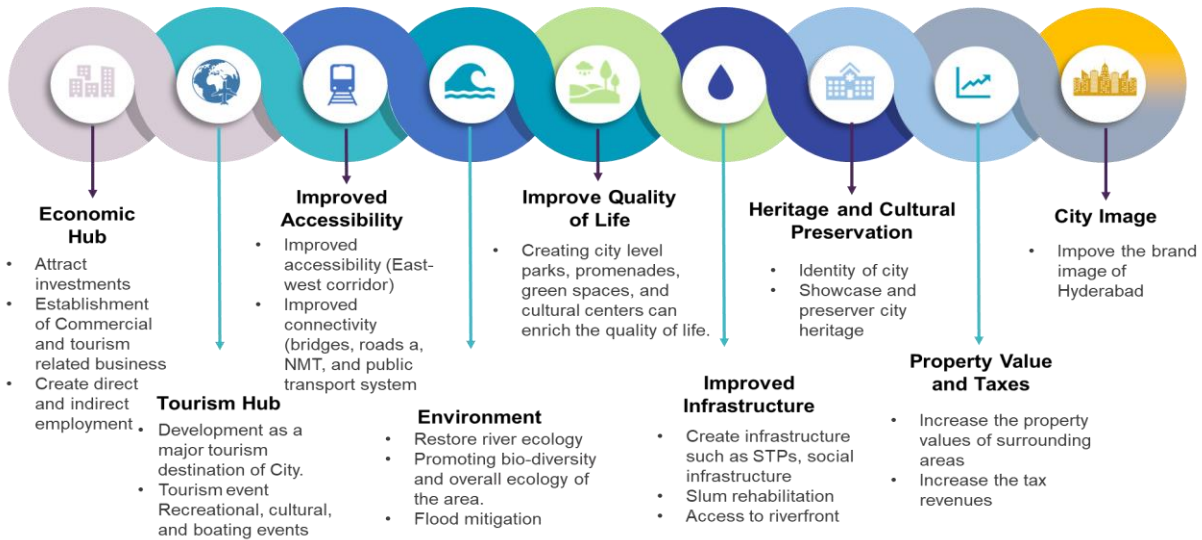

## **1.3 Vision of the Project**

The Government of Telangana through the Musi Riverfront Development Corporation Limited (MRDCL) is working on reviving the entire river ecosystem. The project is expected to:

- i. rejuvenate and trigger growth across 200 sq km of urban landscape.
- ii. strategically redirect growth inwards back into the city. The river will become a growth driver for the entire corridor creating new commercial & residential centres; and rejuvenating older heritage areas and markets.
- iii. promote sustainable engineering of Musi Project will be complemented with inspiring design. The city's skyline will be redefined with new iconic structures and evocative architecture.
- iv. connect people and neighbourhoods with the river.
- v. ensure a Mobility corridor connecting the Eastern and Western part of the city along the river will ease traffic across the city. Transport and logistics hubs will be built along the river and commercialized to unleash the full potential of the area.
- vi. solve complex issues of water management and mobility without losing sight of design and sustainability.
- vii. use innovative technological, financing and commercialization models to accelerate the process.
- viii. aims to become a model project for sustainable urbanization promoting adaptation of cutting-edge models of urban design, energy and material efficiency.

The expected benefits of the project are detailed in the figure below.

## 1.4 Key components of the overall Musi Riverfront Development Projects:

### 1.4.1 River and Water Management

Objective: have clean, flowing water in the river which will restore biodiversity in the entire ecosystem. The Government is already in the process of strengthening the existing sewage management system around the Musi river. These efforts will be augmented with sewer networks and storm water management techniques. The river bed and embankments will be strengthened. Eventually the project may also have a component of river linkage to ensure perennial water flow.

### 1.4.2 Master Plan (Landuse, Trunk Infrastructure, Financial)

Objective: Plan the entire stretch of the river and its surrounding influence areas. The planning will be used as the base for identifying locations of landmark architecture, transportation nodes and growth zones. Widespread stakeholder and citizen consultation will help design the entire ecosystem making space for pedestrian zones, hawker bridges, recreation & tourist areas, commercial centers etc.

### 1.4.3 Mobility corridor

Objective: East West Connectivity and streamlined traffic management in surrounding areas

Mobility Corridor will factor in road and rail network and multimodal logistics hubs.

### 1.4.4 Riverfront Development

Objective: Beautification of the riverfront and urban rejuvenation of the surrounding areas.

The riverfront will have people's plazas, cycle tracks, green spaces, hawker zones, bridges, recreational & tourist areas, sports facilities, parking areas, commercial &

retail spaces, and hospitality infrastructure. The project will identify strategic land parcels along the river for commercialization and development of supporting infrastructure.

The Musi Riverfront Development project is expected to cost over **7 billion USD**. It is proposed to finance the project through a variety of sources including: Government resources, multilateral funding agencies, financial markets and private sector funding. A variety of cross sector partners will be onboarded to ensure the project becomes a revenue generating platform for the Government. A significant portion of the project cost will be funded by commercialization of identified lands around the river. This project aims to leverage financial markets by strategically accessing both equity and debt markets to secure the necessary capital for implementation. Embracing innovation and sustainability, the endeavour plans to utilize instruments such as green bonds, social bonds etc. The project will work with a commitment to environmentally conscious funding practices and fostering a sustainable future.

Musi Riverfront Development Project seeks to drive ecological and economic transformation on a scale and on a time frame which has not been attempted before. We envision not only the preservation of the river's ecosystem but also the establishment of a sustainable economic framework that prioritizes long-term environmental health and community well-being. This holistic approach will ensure that Musi River project becomes a model for environmentally conscious and economically sustainable development.

With the above vision, it is proposed to engage the reputed consultants to prepare “Simulation model for Hydraulics of Musi River” to identify the possible hydrological issues in the river from Osman sagar Dam to ORR-East near Gowrelli and from Himayat sagar Dam to confluence point at Bapughat.

## **1.5 Tasks underway to support preparation of Simulation model.**

**1.5.1 Task 1: Land Parcel Survey and along the Musi Riverfront:** Mapping land parcels using GIS within a 2 km bandwidth of the Musi Riverfront of a 55 km stretch is underway.

**1.5.2 Task 2: Water Management:** MRDCL will work with HMWSSB and Irrigation Department to define the river boundaries and contours. This will be the base for deciding the way forward on the sewage and storm water flowing into the river.

## **1.6 Broad Scope of the Consultancy services by the Hydraulic Simulation Model Developer.**

**Objective of the study:** The consultant shall prepare Simulation model for the overall hydrology of the river from Osmansagar Dam to ORR East near Gowrelli and from Himayathsagar Dam downstream point to confluence point at Bapughat, for various rainfall intensities and dry weather flows in the urban catchment area of Musi River stretch in the Hyderabad city from downstream of Osmansagar / Himayathsagar to ORR East near Gowrelli.

- i. Shall prepare simulation study of the river stretch from Osmansagar downstream point to ORR East, Gowrelli and from Himayathsagar Dam downstream point to confluence point at Bapughat and shall examine the overflow conditions for every 1 Km interval, possible inundations with combination of storm water runoff and dry weather flows (sewage) through nalas into the river and also with combination of maximum flood discharges from Osmansagar & Himayathsagar Reservoirs, and shall identify the possible overflow conditions along the river banks.
- ii. Assessment of maximum storage volume and water surface area at the Maximum Water Level (MWL) and shall submit reports.
- iii. Assessment of maximum runoff with various intensity of rain falls of 10 cm / 15 cm / 20 cm / 25 cm per hour/day from its individual watershed / drainage areas and also the assessment of present dry weather flows through each Nala and conduct simulation studies with combination of storm runoff and sewage dry weather flows and prepare & submit the reports in word / excel / simulation formats.
- iv. The simulation conditions for the monsoon period and for non-monsoon period and assess about the requirements of hydrological balancing of river storages to maintain the hydrology of the river (for 3 M depth of water column in case of establishing the check dams at various intervals) and suggest the “Water Management Approaches” to maintain the water storages in the river for critical levels to facilitate the recreational requirements.

The definitive Scope of Work to be undertaken for the Consultancy services for preparing simulation model for Hydraulics of Musi River from Osman Sagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project will be detailed in the forthcoming RFP.

### **Study period and Final Reports:**

The successful consultant shall complete entire study report as per the above scope in three (3) months period and shall submit the internal report/ presentations and final report duly incorporating the modifications to MRDCL for the approvals of the Government.

## 2. Section II: Instructions to Applicants

### 2.1 Rationale for the EoI

The Government of Telangana, represented by the Musi Riverfront Development Corporation Limited (MRDCL), invites firms to participate in the Expression of Interest (EoI) process for Consultancy services for preparing simulation model for Hydraulics of Musi river from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project.

- 2.1.1 The Musi Riverfront Development Project aims to study the hydraulic pattern of River Musi for 55kms stretch. This stretch lies within the Outer Ring Road limits encircling the city of Hyderabad. The Government envisions to identify the possible hydrological issues in the river to develop a Comprehensive Master Plan for Musi Riverfront Development.
- 2.1.2 The ultimate goal of the EoI is to identify qualified development firms/consortium/JVs who have both the experience, and financial and design capabilities, to be able to successfully prepare a simulation study of the river stretch from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat. The Government of Telangana will review responses and only the firms/ consortium shortlisted by the Application/ Tender Evaluation Committee will be invited to submit full responses to a Request for Proposal (RFP). The EoI will lead to an RFP process that may result in an award to a successful bidder. The EoI submission and subsequent discussions with applicants are intended to provide inputs that will help clarify the development potential of the project and determine effective parameters for the issuance of a competitive RFP.
- 2.1.3 All EoI applications would be evaluated in terms of technical capability of the Applicants. Detailed information on pre-qualification Criterion is available in this EoI at Chapter 3.
- 2.1.4 Applicants are required to read carefully the contents of this EoI and to provide required information, as per the checklist so that capabilities of the Applicants can be fully appreciated and assessed.

● Expression of Interest (EOI) for Consultancy Services for Preparing Simulation Model for Hydraulics of Musi River from  
● Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to  
● confluence point at Bapughat under Musi Riverfront Development Project

## 2.2 General Terms

2.2.1 **Procedure for Bid Submission:** The applicant shall submit his response through an e-procurement platform at [www.tender.telangana.gov.in](http://www.tender.telangana.gov.in)

The bidder would be required to register on the e-procurement market place [www.tender.telangana.gov.in](http://www.tender.telangana.gov.in) or <http://tender.telangana.gov.in> and submit their applications online.

The applicants shall submit their eligibility and qualification documents, etc., in the standard formats prescribed in the EoI documents, displayed in e-procurement web site. The applicant shall upload the scanned copies of all the relevant certificates, documents etc., in support of their eligibility/criteria/ technical in the e-procurement web site. The applicants shall sign on the statements, documents, certificates, uploaded by him owing responsibility for their correctness / authenticity.

The applications will be evaluated based on the certificates / documents uploaded online only towards the qualification criteria furnished by the bidders. The detailed procedure for bid submission is described in EoI document.

**Registration with e-procurement platform:** For registration and online bid submission bidders may contact Help Desk of M/s. Vupadhi Techno Services Pvt

Ltd., 1st Floor, Ramky Grandiose, Sy. No. 136/2 & 4, Gachibowli, Hyderabad., [www.tender.telangana.gov.in](http://www.tender.telangana.gov.in) or <http://tender.telangana.gov.in>.

### **Digital Certificate authentication:**

The bidder shall authenticate the EoI applications with his digital certificate for submitting the applications electronically on e-procurement platform and the bids not authenticated by digital certificate of the bidder will not be accepted on the e-procurement platform.

All the bidders need to obtain Digital Certificates from TSTS:

For obtaining Digital Signature Certificate, Please Contact:

Telangana state Technology Services Limited:  
HACA Bhavan, 2<sup>nd</sup> Floor Tank bund road  
Nampally Road

● Expression of Interest (EOI) for Consultancy Services for Preparing Simulation Model for Hydraulics of Musi River from  
● Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to  
● confluence point at Bapughat under Musi Riverfront Development Project

Hyderabad – 500 004  
Phone: 040 2322 6970

- Bidders need to register on the electronic procurement market place of Government of Telangana i.e. [www.eprocurement.gov.in](http://www.eprocurement.gov.in) On registration on the e-procurement market place they will be provided with a user ID and password by the system using which they can submit their bids online.
- While registering on the e-procurement market place, Bidders need to scan and upload the required documents as per the Tender requirement on to their profile.
- The tenderers shall be required to furnish a declaration in online stating that the soft copies uploaded by them are genuine.

**Special Conditions:** Transaction Fees: The transaction fee of Rs.10,000/- +18 % GST has to be paid through electronic gate way payment system to TSTS., by each participating bidder at the time of Bid submission

- 2.2.2 Interested firms are requested to submit their Expression of Interest (EOI) as per NIT. Submissions should include relevant company information, details of past projects, and a preliminary approach to the Musi Riverfront Development Project based on our Vision for Musi Riverfront Development. The checklist for requisite documents and formats for submission are listed in the Annexure.
- 2.2.3 Applicants shall submit the EoI on the prescribed format in English language.
- 2.2.4 The EoI shall be submitted on e-procurement platform at [www.tender.telangana.gov.in](http://www.tender.telangana.gov.in) along with a covering letter together with the requisite supporting documents and proofs as mentioned in this EoI, on the letter head of the Applicant with each page of the Document duly signed and stamped by the head or authorized signatory of the Applicant. No manual EOIs shall neither be made available nor accepted for submission. EOI submitted through modalities other than those stipulated shall be liable to be rejected as non-responsive.
- 2.2.5 Only one copy of EoI can be uploaded, the Consultant can digitally sign all statements, documents and certificates uploaded by him, owning sole and complete responsibility for their correctness / authenticity as per the IT Act, 2000 as amended from time to time.
- 2.2.6 The Authority will notify shortlisted Applicants through registered email.
- 2.2.7 Only the shortlisted firms may be contacted by the Authority.
- 2.2.8 The Authority retains the right to restrict the number of shortlisted firms for efficiency.
- 2.2.9 The finalization of the consultant will involve a Two-Stage Selection Process. The selection process consists of two stages, outlined briefly as follows:
- 2.2.9.1 **Stage I: Request for Expression of Interest (EOI):** This stage is exclusively intended for creating a shortlist of Applicants based on the objective evaluation of credentials. Prospective consultants fulfilling the mandatory eligibility criteria will be considered for Stage II.
- 2.2.9.2 **Stage II: Request for Proposal (RFP):** The shortlisted Applicants from Stage- I will be eligible to participate in stage –II i.e., RFP and will be required to submit their bids on e-procurement platform at [www.tender.telangana.gov.in](http://www.tender.telangana.gov.in) separately for both "Technical Proposals" and "Financial Proposals" following the prescribed procedure. Specific details regarding this stage will be outlined in the forthcoming RFP document. The bid evaluation will adhere to the QCBS (Quality and Cost-Based Selection) system.
- 2.2.10 **Application / Tender Review Committee:** An expert committee will be constituted by the Authority to evaluate the applications based on the Eligibility criteria listed in this EoI to arrive at the list of shortlisted applicants.

**2.2.11 Subsequent RFP for Consultancy Services for preparing Simulation Model for Hydraulics of Musi river from Osmansagar Dam downstream point to ORR east near Gowrelli and from Himayatsagar Dam downstream point to confluence point at Bapughat under Musi Riverfront Development Project:**  
Upon review of EoIs, selected firms will be invited to submit comprehensive responses to a Request for Proposal (RFP). This stage will require a more detailed presentation of your firm's capabilities and proposed methodologies.

**2.2.12 Upon review of the EoI submissions, MRDCL reserves the right to:**

- 2.2.12.1 Issue a subsequent Competitive Request for Proposals (RFP), to identify and select a Consultant for preparation of Simulation Model for Hydraulics of Musi River for the Musi Riverfront Development Project in Hyderabad, Telangana, India.
- 2.2.12.2 Take other action deemed appropriate, including no further action.
- 2.2.12.3 All materials submitted in response to this EoI become the property of MRDCL. Applicants should be specific with regard to sections of their proposals that they deem confidential. MRDCL shall make its best effort to honour such requests.

**2.2.13 Right to Modify or Terminate EoI Process**

- 2.2.13.1 Notwithstanding any other provision of this EoI and without any liability to any prospective applicant, MRDCL reserves the unilateral right to postpone submission deadlines, reject any and all proposals, seek additional input from one or more applicants (but not necessarily all applicants), waive any requirement of this EoI, and modify or withdraw this EoI.

**2.2.14 Non-Collusion:** By submission of a proposal, the applicant certifies in connection with this proposal:

- 2.2.14.1 The applicant declares that this proposal is made in good faith, without fraud or collusion with any person or persons submitting a proposal on the same agreement.
- 2.2.14.2 The applicant has carefully read and examined the “Expressions of Interest” document and understands them. The applicant declares that it is fully informed as to the nature of and the conditions relating to the subject property.
- 2.2.14.3 The applicant acknowledges that they have not received or relied upon any representations or warranties of any nature whatsoever from the Authority, its agents or employees, and that its response is based solely upon the undersigned’s own independent business judgment.

2.2.14.4 The applicant has arrived at the proposed proposal independently, without communication, consultation or agreement, for the purpose of restricting competition with any other proposal applicant or with any competitor.

2.2.14.5 No attempt has been made or shall be made by the proposed applicant to induce any other person or firm to submit or not submit a proposal for the purpose of restricting competition.

2.2.15 In case of any dispute, Hyderabad, India shall be the jurisdiction for any legal matter and the decision of the Authority shall be final and binding.

### **2.3 Pre-Submittal Meeting for EoI**

An optional virtual pre-submittal meeting will be held February 9<sup>th</sup> Feb-2024 as a way to introduce the project area, the anticipated topics to be covered in a plan and an opportunity for interested firms/consortium to ask questions about the project and connect with each other.

### **2.4 EoI Validity Period The EoI submitted by interested parties shall be valid for 120 days from the EoI Submission Date as mentioned hereinafter.**

### **2.5 Deadline for EoI:**

The Last date for receipt of applications through online eprocurement platform is February 17<sup>th</sup> 2024 at 03:00 PM.

### **2.6 Submission Format for EoI:**

Submissions in any other format will be deemed unresponsive to the conditions of this EoI

### **2.7 Submission Address:** Submission of EoI applications through online on e-procurement platform only.

**HARD Copies: All the applicants shall produce hard copies of the uploaded Documents only through online for the purpose of evaluation on the last day of receipt of applications .**

## 3. Section III: Eligibility Criteria for this EoI

### 3.1 Consultancy Firm/Consortium Requirements:

- 3.1.1 The potential applicant must be a national or international firm, LLP, or company and must possess relevant experience in preparation of Simulation Model for water bodies/ Sewerage Master Planning/ Water Supply Master Planning. The EoI provides broad objectives, scope of services, and associated requirements. If an applicant possesses the necessary experience and capabilities for the services, it can participate in the EoI for Consultancy services for Aggregate Master Planning for the Musi Riverfront Development Project.
- 3.1.2 The Applicant must have adequate in-house resources and expertise to ensure the timely delivery of the project.
- 3.1.3 An applicant will be considered ineligible to submit a proposal if the organization has been barred or blacklisted by the Central and/or State Government or any relevant agency of international repute.
- 3.1.4 Before evaluating applications, the Authority will assess each application's responsiveness to the EoI eligibility criteria (**Chapter 3**) through an expert **Application/ Tender Evaluation Committee** constituted for this sole purpose. An application will be deemed responsive only if:
- (a) It adheres to the checklist in Annexure- **5.1**.
  - (b) It is received by the Application Deadline (**2.5**)
  - (c) It is signed, sealed, and appropriately marked.
  - (d) It includes all the required information as outlined in the EOI.
  - (e) It is unconditional.
  - (f) It is not deemed non-responsive as per the terms herein.
- 3.1.5 The Authority retains the right to reject any non-responsive application, and no requests for alteration, modification, substitution, or withdrawal will be entertained by the Authority in such cases.
- 3.1.6 **Consortium /JV Formation:** The successful applicants should be equipped to adopt a dual approach, effectively combining expertise in both design and financial planning. Consortium formation is encouraged, allowing firms to pool their skills and capabilities to achieve a balanced and comprehensive Master Plan.
- The members of the Consortium shall furnish a Power of Attorney designating one of the members, as per the Memorandum of Understanding (MoU), as their Lead Member (Lead Member is a member who commits to hold at least 51% of aggregate financial commitment (equity share holding) for the project. The Proposal shall be signed by the

duly authorized signatory of the Lead Member and shall be legally binding on all the members of the Consortium

### **3.2 Eligibility Criteria for EoI:**

3.2.1 Prospective applicants must fulfil the following criteria before opting to provide an EoI response. Applicants are requested to furnish comprehensive details of relevant project experiences. The Authority reserves the right to shortlist a limited number of applicants for the subsequent selection process.

#### **3.2.2 The Shortlisting Criteria to proceed to the Stage II of the bidding process i.e. RFP:**

**Criterion (1/4): Have undertaken at least two (2) similar nature of services in preparation of Simulation Modelling for a water body like Rivers/ Streams/ Sewerage Master Plans/ Storm water Master Plan undertaken in the last Seven years i.e. 2017 to 2023 Proof of project completion, including a copy of the work order/agreement and project completion certificate, must be enclosed.**

**3.2.2.1 Criterion (2/4): Demonstrate being in operating as a consulting entity, for at least 10 years or more.**

- i) **A copy of Valid/ Firm Registration Certificate, a public entity (Government owned enterprise or institution) in conformity with the provisions of the laws of the country of the Applicant.**
- ii) **A Valid/ up-to date original copy of Tax Clearance Certificate from the relevant authority in compliance with the provisions of the laws of the country of the Applicant.**

**3.2.2.2 Criterion (3/4): Capacity Statement showing institutional capacity to deliver, including description of the consultant's staff, associate consultant complement, mission statement, key corporate policies and core competencies. The Applicant shall submit a cover letter explaining how key personnel's capabilities are best suited in carrying out the consultancy services for preparation of Simulation Model for Hydraulics of Musi River for the Musi Riverfront Development Project.**

**3.2.2.3 Criterion (4/4): The Applicants may associate with other firms to enhance their qualifications but must clearly indicate whether the association is in the form of a Consortium/ Joint Venture. The Applicant shall submit a registered Agreement of their association. (Only for Applicants forming Consortium/ JV)**

## 4. Section IV: EoI Submission and Evaluation

### 4.1 EoI Submission Components:

4.1.1 **The Government of Telangana through Musi Riverfront Development Corporation is seeking highly qualified firms to prepare Simulation Model for Hydraulics of Musi River for the Musi Riverfront Development Plan.** Applicants are invited to submit their ideas and qualifications for consideration pursuant to the terms and conditions of this EoI. This EoI contains several relevant documents in the appendix to review. Applicants are required to review and consider this information in the development of their submission. While highly developed plans and pro-formas are not required at this stage, additional material and information, as deemed appropriate by applicants, may be included in the submission package.

4.1.2 **For this EoI, MRDCL is requesting the following from interested firms /project consortiums. Please limit your submittal to the minimum possible pages.**

1. **Section I: Format of Letter of Expression of Interest along with the cover letter for the Application (Annexure- 5.2): on Letterhead of the firm/consortium/JV (principal)**
2. **Section II: Format for Technical Information (Annexure 5.3 ).**

**Descriptions should include, at a minimum, the types of similar projects undertaken by the entity, description of its geographical market focus, length of time in business, description of the principals and key personnel who worked on the project, description of all persons who have or will have a financial interest in the project and**

Provide a list of similar projects which the Applicant team has completed. This description must be in a narrative form that is clear and comprehensive. Brochures and collateral material may be included as appropriate, but should not substitute for a narrative description. All applicants should provide brief description of development projects listed at **0** and **Error! Reference source not found.** Information presented about these projects must include:

- Name and location of the project.
  - Type of facilities included in the project with plans/renderings/photos.
  - Total square footage of the project and its component parts.
  - Total project costs
  - Details of supporting asset classes: Commercial, Residential, Institutional, Mixed-use
  - copy of the work order/agreement
  - Project start and completion dates
  - Proof of project completion (certificate)
3. **Section III: Format for Financial Information of the Applicant (Annexure III). Also, enclose Proof as listed at 3.2.2.1.**

**4. Section IV: Experience and Qualifications of Developer/Development Team: Provide a description of the principal developer (and its related Consortium, Joint Venture, if any) and team members. Identification and resumes of key personnel of any proposed team members. The Applicant shall upload a cover letter explaining how key personnel’s capabilities are best suited in carrying out the consultancy services for the Aggregate Master Planning for the Musi Riverfront Development Project (3.2.2.2)**

Experience and Qualifications of prospective Team. Provide a description of the principal developer (and its related Consortium, Joint Venture, if any) and team members. Descriptions of the prospective team should include, at a minimum, the types of similar projects undertaken by the Applicant, description of its geographical market focus, length of time in business, description of the principals and key personnel who are most likely to work on the project, description of all persons who have or will have a financial interest in the project and identification and resumes of key personnel of any proposed team members.

**5. Section V: Format for Joint Bidding Agreement of Consortium/ JV Members (Annexure IV) (Not applicable for only one firm applying for the EoI).**

Power of Attorney for appointing lead Member of consortium ((Not applicable for only one firm applying for the EoI)

**4.2 EoI Evaluation Process**

Evaluation will be conducted on a Pass/Fail basis for both of the aforementioned parameters separately mentioned at 3.2.2. Applicant(s) meeting all the criteria will, contingent on the terms of the EoI, be deemed qualified to submit their Bid(s) for the Project in the next round of the Bidding Process i.e. RFP Process.

**5. Annexure**

**5.1 Annexure I: Checklist for Submission of EoI**

Section No.	Documents	Status (Submitted/ Not Submitted)	Remarks (if any)
1.	Letter of Expression of Interest along with the cover letter for the Application		
2. i)	Format for Technical Information of the Applicant
